[Evalaze Commercial Edition 2.2.1.1](#)

The screenshot displays the Evalaze software interface, specifically the 'Create Application' wizard. The interface is organized into several sections:

- Top Navigation Bar:** Contains icons for 'Wizard', 'Capture Settings', 'Prescan', 'Run Setup', 'Postscan', 'Build Settings', and 'Create Application'.
- Application Name:** A text input field containing 'newApp'.
- Capture Path:** A text input field containing 'C:\Capture' with a browse button (three dots) to its right.
- Scan Range:** A button labeled 'Select Scan Range'.
- Footer:** Features the Evalaze logo (a green globe) and the text 'EVALAZE APPLICATION VIRTUALIZATION'.
